Website: <https://dott-scsv.campusnet.unito.it/do/home.pl>

MYUNITO ACCESS

The screenshot displays the MyUnito website interface. At the top left is the logo for **unito.it** (L'UNIVERSITÀ DI TORINO ON LINE) and the official seal of the **UNIVERSITÀ DEGLI STUDI DI TORINO**. On the top right, there are navigation links: **Chi sei?**, **Come fare per**, **Strutture**, and a red **LOGIN** button. Below these are language options (**ITA**, **ENG**, **ZHO**) and social media icons for Facebook, Twitter, Instagram, LinkedIn, YouTube, and a menu icon. A search bar contains the text "Cerca informazioni o persone" with a magnifying glass icon. A red arrow points to the search bar.

The main navigation bar includes: **Ateneo**, **Didattica**, **Ricerca**, **Università e Lavoro**, **Internazionalità**, and **Servizi**.

The featured article section has a yellow background with the title **CAPIAMO I CAMBIAMENTI CLIMATICI** in blue. Below the title is the text: *Incontri in diretta web per approfondire, condividere, agire.* A red box at the bottom of the article contains the text: **Chi ha paura del cambiamento climatico?** followed by *Mercoledì 20 maggio, ore 15.30* and a **LEGGI TUTTO >** link. A video player interface is visible at the bottom left of the article area.

Online services

View the full list of **online services**.

For personalized services and information access My UnTO.

- [All online services](#)
- [MyUniTO](#)

This section is intended for both occasional users, as it provides an overview of all the main university online services, and habitual users who need to find out what services are available online, besides those highlighted after authentication.

After authentication, in fact, habitual users of the University website can access "My UniTO" dedicated areas and find out personalized services and information. Some specific services may not be included in the list, as linked to specific users or specific areas. As the online services are constantly improved, this section is regularly updated.

To receive further clarification or additional information about the services offered by the University, please follow the instructions suggested in [References](#), [contacts](#), [complaints](#) and [feedback](#).

For further information, feedbacks or if any problem occurs, please contact: redazioneweb@unito.it.

MY UNITO ACCESS

PhD Students SCU credentials: Once you registered in the university, you receive all the informations about your SCU credentials

Email: name.surname@unito.it

PW: Yourcho1ce!

Older UniTo students still have name.surname@edu.unito.it

Using these credentials **will not** give access to all services for UniTo personnel (more than for students)

GOOGLE EDUCATION SERVICES

Once registered as UniTo personnel, you will have right to all **Google education services** including:

- unlimited space disk on **Google Drive** (institutional, not personal);
- **Google mail**;
- other Google services as **calendar**, tasks, etc.

GOOGLE EDUCATION SERVICES

The PhD programme managers have another UniTo Google account mailaddress: dottorato.csls@unito.it

In the associated UniTO Drive, the managers will set-up **your personal folders**, in which common documents as Reports, Certificates etc., will be inserted and accessible to you and the staff.

Please note that you will have access to your institutional folders only when you are identified as UniTo member (you will not have access if you are logged in Google as pincopallino@gmail.com or any other service).

Therefore, go to UniTO, login, then find Services in the banner and access from there.

GOOGLE EDUCATION SERVICES & ICT STAFF

Advanced Users:

You may also install and run the corporate Google Drive File Stream (similar but different from Google Backup and Sync), but note that **it may be difficult to run it on the same computer together with your personal Drive Folder.**

Consider using only UniTo drive for all your work !

ICT Staff:

Ask your Tutor the names and addresses of the **ICT staff** in the Department where you work or you are affiliated with (for external students).

They will help you solving problems.

SCIENTIFIC AND COMPLEMENTARY TRAINING:

Go to the website (link: <https://dott-scsv.campusnet.unito.it/do/home.pl>)

The screenshot shows the website interface for the PhD Programme in Complex Systems for Life Sciences at the University of Turin. The top navigation bar includes the university logo and name, a 'MyUnito' link, and a 'Login' button. Below this, the programme title is displayed, followed by a search bar. A blue navigation bar contains the following menu items: 'The PhD Programme', 'People', 'Scientific and complementary training', and 'Opportunities'. A red arrow points to the 'Scientific and complementary training' menu item. Below the navigation bar is a large blue banner featuring a computer monitor with the Coursera logo on the screen. To the right of the monitor, the text reads: 'For PhD students', 'Free courses and certificates from Coursera', and 'Click here for further information'. The banner also includes left and right navigation arrows.

SCIENTIFIC AND COMPLEMENTARY TRAINING:

Go to the website (link: <https://dott-scsv.campusnet.unito.it/do/home.pl>)

The screenshot shows the website interface for the PhD Programme in Complex Systems for Life Sciences. At the top left is the University of Turin logo and name. On the right, there are 'MyUnito' and 'Login' links. The main header includes the text 'Scuola di Dottorato Dottorato in Sistemi Complessi per le Scienze della Vita - PhD Programme in Complex Systems for Life Sciences' and a search bar. A blue navigation bar contains the following menu items: 'The PhD Programme', 'People', 'Scientific and complementary training', and 'Opportunities'. A dropdown menu is open under 'Scientific and complementary training', listing 'Coursework', 'Courses archive', 'Alumni Day', and 'Annual/Final Reports'. A red arrow points to the 'Coursework' option. Below the navigation bar is a large blue banner. On the left side of the banner is an illustration of a computer monitor displaying the Coursera logo. On the right side of the banner, the text reads: 'For PhD students', 'Free courses and certificates from Coursera', and 'Click here for further information'.

SCIENTIFIC AND COMPLEMENTARY TRAINING:

Introductory Courses: mandatory for first year students

Biological Students:

Introduction to Bioinformatics,
Mathematical and Numerical Methods for Life Sciences

Quantitative Students:

Introduction to Biochemistry
Introduction to Cell Biology
Introduction to Cell Physiology
Introduction to Molecular Biology

All Students:

Statistical Inference and Machine Learning
System Biology

Timing: to be setup with your Profs, but generally «before» Courses

SCIENTIFIC AND COMPLEMENTARY TRAINING:

Courses: Mandatory for **first, second and third year** students

- Cell Biology and Physiopathology,
- Data analysis, AI and machine learning
- Genomics and complexity in medicine

Other training activities: Mandatory for **first, second and third year** students

- Journal Club
- Alumni day

Annual Reports: Mandatory for **first, second and third year** students

Every year, in **July/September**, Students will report their advancements with both a **written report** and a **Presentation** (oral).

You will be given a **LogBook** of these activities to collect Teachers' signatures: you are expected to reach a minimum number of credits.

OPPORTUNITIES DATABASE

The PhD Programme has set up a **database** containing opportunities for

- visiting fellowships (i.e. spend **part of your PhD project abroad**);
- academic and non-academic **post-doctoral opportunities**.

The screenshot shows the website header for the University of Turin. The logo and name 'UNIVERSITÀ DEGLI STUDI DI TORINO' are in the top left. 'MyUnito' and a 'Login' button are in the top right. Below the header, the text reads 'Scuola di Dottorato Dottorato in Sistemi Complessi per le Scienze della Vita - PhD Programme in Complex Systems for Life Sciences'. A search bar is located to the right of this text. A blue navigation bar contains the following menu items: 'The PhD Programme', 'People', 'Scientific and complementary training', and 'Opportunities'. A red arrow points to the 'Opportunities' menu item. Below the navigation bar is a green banner with a computer monitor icon on the left. The banner text includes the dates '12-27 May 2020', the title 'PhD program Journal Club', and the call to action 'Click here for further information'. A small vertical text 'Images from Pixabay.com' is visible on the left side of the banner.

OPPORTUNITIES DATABASE

The PhD Programme has set up a **database** containing opportunities for

- visiting fellowships (i.e. spend **part of your PhD project abroad**);
- academic and non-academic **post-doctoral opportunities**.

The screenshot shows the website interface for the PhD Programme. At the top left is the logo of the Università degli Studi di Torino. To the right are the 'MyUnito' logo and a 'Login' button. Below this is the text 'Scuola di Dottorato' and 'Dottorato in Sistemi Complessi per le Scienze della Vita - PhD Programme in Complex Systems for Life Sciences'. A search bar is visible on the right. A blue navigation bar contains the following menu items: 'The PhD Programme', 'People', 'Scientific and complementary training', and 'Opportunities'. The 'Opportunities' menu is expanded, showing three options: 'Job Placements', 'After the PhD', and 'Opportunities database for PhD students'. A red arrow points to the 'Opportunities database for PhD students' option. Below the navigation bar is a green banner with a computer monitor icon on the left. The banner text includes 'PhD program Journal Club' and 'Click here for further information'. The year '2020' is partially visible on the right side of the banner.

OPPORTUNITIES DATABASE

You may search

- countries of your interest;
- academic or industrial jobs

The screenshot shows the website for the University of Turin's PhD Programme in Complex Systems for Life Sciences. The header includes the university logo and name, a 'MyUnito' link, and a 'Login' button. The main navigation bar contains links for 'The PhD Programme', 'People', 'Scientific and complementary training', and 'Opportunities'. The breadcrumb trail reads 'Home / Tesi tirocini stage / Risultati della ricerca'. The main content area lists four scholarship opportunities, each with its type, availability date, location, and supervisor. A right-hand sidebar titled 'Tesi tirocini stage' offers filters for 'Tutte le proposte', 'Nuove proposte', 'Ordina per data di inizio', and 'Sfoglia per tipologia', with a red arrow pointing to the last option.
